Brand New Book ***** Print on Demand *****.This book answers 100 questions that people who are not lawyers ask of lawyers in casual conversation. We all have an innate curiosity about the law because we sense how important law is. We prosper when following law but starve when not. Yet we often misunderstand law, as our curious questions about it reflect. We think that law is often nonsensical when to the contrary it is rarely so. Distrust lurks behind our odd questions about law, when law must instead be trustworthy or it fails to work effectively as law and becomes something less than law. Law must have our confidence. Let this book help make it so. Appreciate law, while you keep letting lawyers know your questions.
