This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

A FATHER FIRST: HOW MY LIFE BECAME BIGGER THAN BASKETBALL (HARDBACK)

HarperCollins Publishers Inc, United States, 2012. Hardback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book. Dwyane Wade, the eight-time All-Star for the Miami Heat, has miraculously defied the odds throughout his career and his life. In 2006, in just his third season in the NBA, Dwyane was named the Finals MVP, after leading the Miami Heat to the Championship title, basketball's ultimate prize. Two years later, after possible career-ending injuries, he again rose from the ashes of doubt to help win a gold medal for the United States at the 2008 Beijing Olympics. As co-captain, he helped lead the Heat to triumph in the 2012 NBA Championship. Recounting his fatherhood journey, Dwyane begins his story in March 2011 with the news that after a long, bitter custody battle, he has been awarded sole custody of his sons in a virtually unprecedented court decision. A Father First chronicles the lessons Dwyane has learned as a single dad from the moment of the judge's ruling that instantly changed his life and the lives of his boys, and then back to the events in the past that shaped his dreams, prayers, and promises.As the son of divorced parents determined to get along so that he and his sister Tragicil could have loving relationships with both of them, Dwyane's early years were spent on Chicago's South Side. With poverty, violence, and drugs consuming the streets and their mom descending into addiction, Tragicil made...
