Merely no words to clarify. I could comprehend almost everything using this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book. (Lori Terry)

STUDY SKILLS FOR PSYCHOLOGY: SUCCEEDING IN YOUR DEGREE

SAGE Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Study Skills for Psychology: Succeeding in Your Degree, Anthony Stone, Richard Freeman, 'For anyone starting a degree this is a useful concise guide to what's in store throughout the first year and beyond' - The Psychologist Study Skills for Psychology has been shaped around a typical Psychology student's journey. Beginning with an overview of the nature of the degree and advice about what needs to be sorted out in the first few weeks of the course, this book tackles how to get the most from your lectures, exam preparation and project development, right through to contemplating and investigating future career options. This highly accessible guide is designed to help you meet the challenges and reap the rewards of your degree by introducing a range of study skills and providing you with ways to practice those skills. This book should accompany you throughout your degree course as a resource that you can use whenever you need help. Key features of Study Skills for Psychology include: - Learning outcomes at the beginning of each chapter to highlight key areas - Text boxes throughout to reaffirm understanding - Numerous examples and illustrations - Exercises and learning aids to enable practice of important skills - A structure based around the PDP (Personal Development Planning) model, providing a framework through which you can understand what and how you learn, enabling you to plan, review and take responsibility for your own learning, performance and achievements. An essential companion for any student, Study Skills for Psychology will give you the skills to enjoy your time studying for and succeeding in your Psychology degree.
