Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Farm and Household Cyclopaedia The purpose of thin volume Lb to supply a toady reference library of useful facts and suggestions for farmers and housekeepers. Within the prescribed limits of the work it would be impossible to present the fullest details of agricultural and kindred sciences, hence the author has deemed it politic to deal mainly with the more practical relations of agriculture and domestic affairs. Such matters as are self-evident and well understood by every practical agriculturist-as for instance the details of the cultivation of the commoner farm product - it has been thought wise to treat upon but meagerly, in order that full scope might be given to practical hints and useful suggestions in all branches of agriculture. The object of the work is not to toll the farmer and the housewife that which they already know, but to present to them valuable information which it is believed cannot fail to be of material assistance in rural homes. In the preparation of the work great care has been taken and no pains have been spared to make it complete in every detail. Consultation of the best authorities insures its reliability, and it is believed that it will be found invaluable by all who become possessed of it, and that it will prove one of those exceptional books which are prized more highly by reason of age and constant association; for it will doubtless be consulted almost daily in the course of rural and household affairs. There is hardly a day in a farmer s life but that some problem arises not easy of solution without a reliable treatise of this kind to...
