

Tomorrow People: Future Consumers and How to Read Them (Paperback)

Filesize: 1.46 MB

Reviews

Excellent electronic book and helpful one. Better then never, though i am quite late in start reading this one. You wont truly feel monotony at whenever you want of your time (that's what catalogues are for relating to when you question me).

(Mabelle Dach III)

Pearson Education Limited, United Kingdom, 2003. Paperback. Book Condition: New. 234 x 160 mm. Language: English . Brand New Book ***** Print on Demand *****.GET TO KNOW YOUR FUTURE CUSTOMERS The future is a profit stream waiting to happen, but it takes careful observation and anticipation to make it flow your way. Martin Raymond What would you give to see today what your customers will want tomorrow? To discover their needs, desires and chosen brands. Who will they be? How will they behave? And what will they want from your business? The future of consumer behaviour is a profit margin waiting to happen for those who read it correctly. But tomorrow s consumers want to be seen as people; not numbers, or markets to be segmented and targeted. How will your business and brand fit into their lives? The Tomorrow People is a snapshot of tomorrow s consumers. The world they will inhabit, the lifestyles and values they will adopt and the ways they will shop. Sooner or later every brand has to interact with tomorrow s people, so how do you equip yourself for such a world? As an individual, a brand, a corporation? By understanding the nature of trends, their dynamics or science, we can learn not only to see them, but also how to map them use them to generate products, brands and services for tomorrow s consumers. It s all about behaviour. It s not about dead data. In a provocative and insightful view of how emerging lifestyles and cultural changes are likely to impact on tomorrow s consumers, Martin Raymond alerts you to new consumer behaviour patterns and teaches you to read a market and be ready to deliver exactly what your customers want. This book will help you to read trends, interpret the discoveries...
