Filesize: 3.4 MB

Reviews

Here is the greatest publication i have study till now. I was able to comprehended every thing using this written e pdf. I am pleased to explain how here is the greatest pdf i have study within my own lifestyle and might be he best pdf for ever.
(Leopold Moore)

A COMPLETE ARITHMETIC: ORAL AND WRITTEN (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from A Complete Arithmetic: Oral and Written The aim of the author in the preparation of this work may be stated as follows: 1. To present each subject in arithmetic in such a manner as to lead the pupil by means of preparatory steps and propositions which he is required to examine for himself, to gain clear perceptions of the elements necessary to enable him to grasp as a reality the more complex and complete processes. 2. To present, wherever it can be done, each process objectively, so that the truth under discussion is exhibited to the eye and thus sharply defined in the mind. 3. To give such a systematic drill on oral and written exercises and review and test questions as will fix permanently in the mind the principles and processes of numbers with their applications in practical business. 4. To arrange the pupil's work in arithmetic in such a manner that he will not fail to acquire such a knowledge of principles and facts, and to receive such mental discipline, as will fit him properly for the study of the higher mathematics. The intelligent and experienced teacher can readily determine by an examination of the work how well the author has succeeded in accomplishing his aim. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
