ADMINISTERING THE CALIFORNIA SPECIAL NEEDS TRUST: A GUIDE FOR ASSISTING A PERSON WITH A DISABILITY AS TRUSTEE OF A SPECIAL NEEDS TRUST (PAPERBACK)

iUniverse, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In *Administering the California Special Needs Trust*, author Kevin Urbatsch presents a guide for anyone assigned the duty of managing a Special Needs Trust for a person with a disability. Though geared toward those who never have administered a trust, it also provides sophisticated answers for experienced trustees concerning some of the unique responsibilities a trustee of a special needs trust will encounter. Urbatsch, a California attorney who has years of experience in assisting trustees to manage special needs trusts, has written extensively for both attorneys and families on how best to establish a special needs trust. *Administering the Special Needs Trust* addresses specific California issues that a special needs trust trustee encounters daily. In a question-and-answer format, it addresses how to avoid the most common mistakes made by SNT trustees; understand the type of public benefits available for California persons with disabilities; learn how SNT disbursements will affect these public benefits; best pay for a person with a disability's housing, caregiver costs, transportation, and related expenses; handle SNT investments, accountings, and taxes; terminate the SNT. With checklists, form documents, and law summaries included, *Administering the Special Needs Trust* contains a wide range of information for those charged with the responsibility of managing a special needs trust for people with disabilities.
