Createspace, United States, 2013. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****. Hate doesn't just happen-it is created. Find out how, and what you can do to stop hate and all the collateral damage it causes. Hate crimes, hate speech, hate groups, discussions that flare into screaming matches, deep-seated animosities used to justify violence and killing . all of these are obvious; they're out there for all to see. But what lurks unseen below the surface? What creates these things? How is it possible to boil one's blood and enrage the soul? Creating Hate - How It Is Done, How to Destroy It presents a solid theory about what causes hatred and how hate multiplies. More than the theory, the book provides ways to recognize when hate is the underlying agenda, in both written material and verbalized, no matter what the sugarcoating might be. The author's succinct and smart writing will give you a more informed view from which to watch, read or listen to all kinds of media and publications and to recognize the true intentions behind the material. What good is this awareness? The potential positive outcomes are numerous, for example, empowering you to not be tricked or swayed into disliking good people through purposeful manipulation by those you should not trust or listen to. You'll also become more expert at recognizing falsehoods and unsubstantiated rumors that seem to come out of nowhere, as well as unwarranted smearing of reputations for another's selfish agenda. Who knows? Maybe at some time you might even find yourself in the cross hairs of a hate campaign. Be prepared by learning about the makings of hate. After this quick read, you will be more able...
