Sometimes businesses become so complex that it s easy to take one s eye off the ball. Generally, when management is truly passionate, focused, and committed to achieving company performance goals their business is successful. I feel this book will serve as a valuable tool to inspire the very passion and commitment businesses need to remain on top of their game. -Jim Reid, Vice President, Budget Rent a Car of Southern California Ken Keller is one of the most insightful business advisors I have ever met, from the standpoint of being able to zero in on what really matters in building a successful business. His advice essentially comprises everything they don t teach you in college about running a company. -Tom Jackson, Stonewall Ventures, Charlotte, North Carolina Ken, like no other author, has a unique way of sending a clear message in a manner that we can all receive. He has a knack of summarizing the works of others, giving his own sound business advice and just leaving us feeling a whole lot better. He helps to stuff our knapsacks with tools we can use today and with ideas that will prepare us for the future. -Georgene Waterman, Ph.D., Leadership One, Sacramento, California Ken couples common sense business practices with a code of professional ethics and integrity. The result is a set of inspirational and practical tips for CEOs, business owners and other top executives! -Lee Self, President, Renaissance Executive Forums of Northern Virginia If a business owner had the choice between an MBA and reading Ken Keller on an on-going basis, there s no question in my mind
