Last Post Press, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. It is in the spirit of a non-partisan, then, that this chronicle of adventure in those crucial days of the early war is written. It is a welter of experiences and reactions which the future may use as another first-hand document in casting up its own conclusions. There is no careful culling out of just those episodes which support a particular theory, such as the total and complete depravity of the German race. Despite my British ancestry, the record tries to be impartial- without pro- or anti-German squint. If the reader had been in my skin, zigzagging his way through five different armies, the things which I saw are precisely the ones which he would have seen. So I am not to blame whether these episodes damn the Germans or bless them. Some do, and some don t. What one ran into was largely a matter of luck. This book is part of the World War One Centenary series; creating, collating and reprinting new and old works of poetry, fiction, autobiography and analysis. The series forms a commemorative tribute to mark the passing of one of the world s bloodiest wars, offering new perspectives on this tragic yet fascinating period of human history. Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context.
