Still aching over his wife's death, Cody Gunner can't bear the thought of also letting go of his Downs Syndrome brother, Carl Joseph. Cody wants his brother home, where he will be safe and cared for, not out on his own in a world that Cody knows all too well can be heartless and insecure. So when Carl Joseph's teacher, Elle, begins championing his independence, she finds herself at odds with Cody. But even as these two battle it out, they can't deny the instinctive connection they share, and Cody faces a crisis of the heart. What if Elle is the one woman who can teach Cody that love is still possible? If Cody can let go of his lingering anger, he might just see that sometimes the brightest hope of all lies just beyond the clouds. This item ships from multiple locations. This book may be worth buying. I have read and I am confident that I am going to plan to go through once more once again in the future. It's been written in an exceptionally easy way and it is simply soon after I finished reading this publication in which it actually altered me, modify the way I believe.

The best book I've ever read. I am quite late in starting to read this one, but better than never. I realized this publication from my dad and he advised this book to understand.
