The following proceedings were had, to-wit: The Association was called to order by the President, J. M. Hewitt. The annual address of the President was omitted. In the absence of the Secretary, J. M. Stayton was elected Secretary pro tem. The reports of the Secretary and Treasurer were postponed until the afternoon session. The Committee on Judicial Administration, by G. B. Rose, made report as follows: Your committee respectfully call the attention of the Association to a few defects that they have particularly noticed in our system of administration. I. We think that the statute authorizing the sale of property of the minors and deceased persons for reinvestment is pernicious, and should be repealed. Any one familiar with our reports must be struck with the innumerable wrecks of orphan s and decedents estates with which they are strewn. Apparently ew orphans receive upon attaining their majority any part of the ancestral inheritance. The personal property necessarily disappears, and it is perhaps impossible to devise any system of laws which will secure that or its avails to the minor.
