Createspace, United States, 2013. Paperback. Book Condition: New. Damonza Com (illustrator). 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Are you a Christian whom young earth creationists have accused of not believing Word of God, because you think the universe is billions of years old? Do they go as far as to say you re calling God a liar? Fortunately, freedom from their oppression is here! Even the Bible Contradicts Creationists offers everything you ll need to refute their young earth geology arguments and feel good about your faith. This book isn t a science book. Rather, it examines every creation verse in the Bible and shows how a literal reading of each one shoots down the beliefs of young-earth creationism and better supports an old universe than it does a young one. Unlike most creationism books, this one doesn t make your head spin with detailed science, nor does it talk down to you with terminology that only a seminary professor would understand. This creationism book is for everybody! It s easy to read, well-organized, and best of all, you ll learn a lot. Even the Bible Contradicts Creationism repeatedly demonstrates how traditional creationists do not take the Bible at its word; rather, they interpret the Bible through their religious tradition. This book separates their traditions from what the Bible literally says. As a result, you ll read how the Bible refutes many of their beliefs regarding: -the length and order of the days of creation -the process by which God created the universe and its inhabitants -the nature of the Garden of Eden -the story of Adam Eve -the nature of life before the Fall of Man -the purpose of the Tree of Life -the impact of the Genesis flood -the gift...
