

The Priority of Preaching

By John Cheeseman

The Banner of Truth Trust, United Kingdom, 2006. Pamphlet. Book Condition: New. 183 x 119 mm. Language: English . Brand New Book. Today many Christians have lost confidence in preaching and have replaced it with other things such as dialogue, films, dancing, and dramatic presentations. Do we need preaching today? is a question often asked in many churches. John Cheeseman takes up this question and argues that the church must maintain the priority of preaching for both biblical and theological reasons. He then proceeds to offer helpful instruction and advice on the practical matters of preparing and delivering sermons, before finally turning his attention to the vitally important subject of the character of the preacher. This booklet is an excellent primer for all young men who believe that God may be calling them to become preachers of his Word.
