

Bicycle Route 66 Map #3: Joplin, Mo - Adrian, TX (567 Miles)

Filesize: 3.41 MB

This book can be worthy of a read, and I realized this publication from my dad and i encouraged this pdf to understand.
(Prof. Flo Cruickshank DDS)

BICYCLE ROUTE 66 MAP #3: JOPLIN, MO - ADRIAN, TX (567 MILES)

DOWNLOAD

Adventure Cycling Association, United States, 2015. Sheet map, folded. Book Condition: New. 210 x 102 mm. Language: English . Brand New Book. Bicycle Route 66 does not always follow Historic Route 66. Deviations were made based on present-day conditions. You ll encounter both flat terrain and rolling hills on this section of Bicycle Route 66. Oklahoma tends to slope gradually upward from its eastern to western boundaries. Woodlands and transitional prairie grasslands, composed of shortgrass, mixed-grass, and tallgrass prairie cover the central portion of the state. In the upper portion of Texas, referred to as the Panhandle, the Great Plains become a reality in the flat, wide open expanse of country you ll be riding through. The route parallels I-44 between the Kansas border and Oklahoma City, then uses multiple frontage roads along I-40 between Oklahoma City and Adrian, Texas. The 12.9 miles of the route in Kansas retains much of the character of the Mother Road. Services are reasonably spaced with Tulsa, Oklahoma City and Amarillo offering full services and bike shops. Bike shop availability decreases the farther west you ride so stock up if you need tubes and other miscellaneous parts. West of Amarillo the route is all on roads that parallel the interstate.
