Bloodaxe Books Ltd. Paperback. Book Condition: new. BRAND NEW, Hallelujah for 50ft Women: Poems About Women's Relationship to Their Bodies, Raving Beauties, Raving Beauties women's theatre company was born out of a deep sense of frustration with domesticity, naivete and a burning need for a creative outlet. It led to an enormous personal, political and professional learning curve. Hallelujah for 50ft Women is their third anthology of women's poetry. Their first book, In the Pink (The Women's Press), sold thousands and was reprinted six times. Our relationship to our bodies is affected by many things including culture, religion, family, sex, hunger, pleasure and pain. This new anthology is inspired by a passionate desire to celebrate our bodies in a fully realised way, leaving Barbie's grotesque silent pliability in her box for good. Instead of pouting, our mouths have the power of language, our romantic fluttering hearts give and receive compassion, skin ages with grace when we see beauty in everything, a pierced belly button connects us to our ancestors and a belly needs to be strong before it's flat. This book has been selected from over a thousand submissions. New poets published here for the first time are proud to share this anthology with established writers such as Selima Hill, Kim Addonizio, Jackie Kay and Helen Dunmore. By revealing the complex depths of our relationships with our bodies Hallelujah for 50ft Women makes a much needed contribution to a compassionate understanding of our evolving selves.
