Few, if any, manufacturers of chemical specialties are more liberal with their samples, and more generous in the quantity delivered, than the proprietors of the well known disinfectant, Piatt s Chlorides. They send a pint bottle, and prepay express chargis, and are pleased to do so, lor, believing in the merit of the article, they know there is no better proof of the pudding than in the eating of it. Letters of acknowledgment and appreciation of course follow. Among the many thousands that Mr. Flatt has to exhibit is the following, of which he is, naturally, very proud: -- I have not only used the samples of Piatt s Chlarides you were kind enough to send me, but have used a good many other bottles of it in my hospital, and in my private practice. The preparation is a very valuable one. Very truly, yours,...

Reviews

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
