Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Do you have a passion for particular subject, whether it s computer programming, building model airplanes or anything in between, from cooking to public speaking or writing short stories? Have you always wanted to share your passion with the rest of the world, but never have the time or financial resources to go to school and get certified as a teacher? Well now you can share your passion and skills with the world by teaching courses on ! is an online learning platform or academic Academy that students and teachers are able to register with four free to take or teach classes as they wish. The amazing thing about a virtual learning institution such as Udemey, is that classes are available 24 hours a day seven days a week 365 days a year because the lecture or demonstration is simply recorded and then uploaded to the site but best of all, as an instructor, you will not only get to share your passion or skills with the world but you will be paid for the privilege! You simply set the fee and you will be paid for each student that registers for your course. So if you think becoming an instructor for and learning to be a virtual professor is for you then you might want to register for the virtual education seminar. This course will teach you everything you need to know to be a successful instructor with you will learn everything from how to write a lesson plan and how to shoot a video so that your students are provided with the best quality content possible by the time you are done with...
