Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from *The Stable Book; Being a Treatise on the Management of Horses, in Relation to Stabling, Grooming, Feeding, Watering and Working* It may be thought, perhaps, by some, presumptuous on the part of any American, to undertake the editing with a view of improvement, of a work of the standard reputation of Stewart s *Stable Economy*. But it must be recollected that the climate and much of the food, and, consequently, the general management of the horse in Great Britain, are so different from what they necessarily must be in North America, that great injury is often done to this noble animal by following British instructions too closely in his rearing, and above all, in his stable management. The horse, both theoretically and practically, has been a favorite study with me from childhood; and for the past ten years, I have been more or less engaged in breeding and rearing them on my farm, and in breaking and fitting them for market. I also had in early life, during a residence of nearly two years in the north of Europe, the advantage of studying the stable economy of large military establishments, and in my recent trip to England, I took every opportunity to inform myself, by personal inspection, on the subject of the horse in general, and particularly his rearing and stable treatment; and in so doing, examined alike the thorough-bred, the hunter, the roadster, the farm, and the dray horse. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
