The 2.5 of stuff that actually matters, that will net you the results you really want in life, whether you know it yet or not. It s not a comprehensive, uber-philosophical treatise on becoming a superior 21st century man. - it s a quick read (one bathroom trip may be enough) with a lot of answers you are going to need to know in one place. I Come to You from the Future is all about fast and furious and sometimes funny strategic tips from guys who have been there and done that more times than you can count. My goal is to prepare you to meet your future; so the guy staring back at you in the mirror in 20 years isn t some middle-aged douche wondering why his life sucks.
